

FRC Java Programming Workshop

FRC programming team members, come join computer programmers from Mylo, a Lockton Company, as they provide help with Java programming skills for this year's challenge. These FIRST mentors and alumni are here to assist your team in preparation for the 2018 season.

***Bring your laptops (and a practice robot, if you want).**

When: Saturday, January 27 from 9:00 am – 12:00 pm

Where: Johnson County Community College in the Collaboration Center

RSVP: <https://www.surveymonkey.com/r/MyloJava>

Campus Map: <http://www.jccc.edu/about/campus/colab-collaboration-center/files/colab-map.pdf>

Hosted by: Mylo, a Lockton Company

Call Martha McCabe, KC STEM Alliance, with questions: 785-248-3808

Smart, Fast & Friendly

Mylo guides you through top-rated insurance plans in one convenient spot. Powered by Lockton, the world's largest independent broker with 50+ years of experience connecting people to coverage they can trust.
