___ January 30, 2010, Southwest Rumble, Southwest Early College MS, Kansas City, MO

___ February 27, 2010, MoKan FLL Regional Tournament, Summit Lakes Middle School, Lee's Summit, MO

Name of Team Members:

Hi Coaches; I can't tell you how excited I am about planning our competition events for the 2009/2010 robotics season and I think everything is well in place.

With this form you will be able to register for all three of the Regional Events and we ask that you indicate your first, second, third choice in case we have to cut off the number of teams attending each event.

The Summit Lakes Rumble will have only the table competition and awards will not be presented. This event is just a good practice with three rounds for each team at the table. This is a great opportunity to meet other kids from both states and see how they solve problems.

The second rumble at Southwest Early College Middle School will include presentation judging as a practice for the MoKan Regional Tournament at Summit Lakes. The Tournament will include three rounds at the competition table, teamwork, gracious professionalism, robot design, and presentation judging for which awards will be given.

If you have more than 10 students on your team please bring everyone. The rumbles are just a regional competition and only prepares your students for the tournament. *For the tournament February 27, 2010 you must have only 10 students per registered team, an assistant coach, and mentor involved in the tournament. Other team members are more than welcome to come and enjoy the event.*

Please complete one registration form for each team and return to me via email as soon as possible. The form is in Microsoft Office Word format and can be downloaded, saved to your computer, filled out, and return to me as an attachment. If you are not able to download and attach the form to an email please mail to me:
