

Hear Ye ! Hear Ye !

THE KUH-NIG-ITS, Team 1939 from the Barstow School doth throw down the gauntlet and challenge all teams attending the Kansas City Regional March 4-6, 2010 to fill the larders of **Harvesters–The Community Food Network**. The team with the largest donation will receive a trophy and be invited to display their robot or team on the Harvesters float in the Snake Saturday Parade on March 13 and the St. Patrick’s Day Parade on March 17.

How to participate-

1. Run a canned food drive in your school/community. Or try a Virtual Campaign.
2. Box up the donations and label with your team number and weight of food. Monetary donations are also acceptable \$1 = 6.5 pounds.
3. Bring donations to the Regional by Friday Mar. 5 at 5 PM and give to the Team 1939 food representative.

Note: If your school is also participating in the “Go for the Green” campaign, all food contributions at the regional will be applied to those totals as well.
