

# FIRST LEGO LEAGUE 2009

SMART MOVE

Can **FIRST LEGO®** League teams transform the way we look at transportation?

The key to the 2009 "Smart Move" Challenge is accessing people, places, goods and services in the safest, most efficient way possible. In this journey, teams will consider many modes of transportation beyond their daily routine and streamline their options by making smart moves! [firstlegoleague.org](http://firstlegoleague.org)
